What do I need and where do I start?

First, Select Your Coverage Period

Single Payment

This option is ideal if you know the exact number of days you need coverage. The minimum number of days you may apply for coverage is 30 days; the maximum is 180 days. Pay now for the number of days you will need STM coverage. If you need a longer coverage period, select monthly pay, where you will have the option of up to 337 days of coverage in select states. We accept payment by Visa, MasterCard, or Bank Draft.

Monthly Payment

This option is ideal if you are unsure how long coverage is needed. This "pay as you go" option gives you the flexibility to continue coverage for as long as it's needed, or you can stop payments to discontinue the plan once your temporary need ends. You can select coverage maximums of 6 or 11 months, depending on which state you reside in.

Then, Pick Your Deductible

\$250, \$500, \$1,000, \$2,500, \$5,000 or \$7,500

The selected deductible must be paid by each Covered Person before Coinsurance benefits are payable. (After 3 individuals meet their deductible, the deductible is deemed satisfied for any remaining covered individuals.)

Lastly, Choose Your Coinsurance

80/20 or 50/50

Your selection of a Coinsurance Percentage represents the percent of covered expenses that we pay and that you pay*, after the deductible has been satisfied, up to the Coinsurance Maximum. (After 3 individuals have met their deductible, the deductible is deemed satisfied for any remaining covered individuals.)

Coinsurance Maximum: \$5,000

Once you've reached your Coinsurance Limit of \$5,000 (based on your selection), we pay 100%* up to the \$2,000,000 Lifetime Maximum. For example, if your coinsurance is 80/20, you pay 20% of the next \$5,000 in covered charges (\$1,000 out-of-pocket plus deductible). Then we pay at 100% up to the Lifetime Maximum.

*Based on usual and customary charges of the geographical area in which charges are incurred.

HealtheMed Eligibility

You are eligible to apply for HealtheMed if you are age 2 through 64 and you meet the following requirements

1. You are not pregnant, an expectant father, or planning on adopting.
2. You will not be covered by other medical insurance at time of requested effective date.
3. You are not a member of the armed forces of any country, state, or international organization, other than on reserve duty for 30 days or less; and
4. You are able to answer "no" to the medical questions on the application form.

**Your spouse under age 65 and dependents under age 19 are also eligible for coverage, provided they meet the same requirements. Unmarried children under age 25 may also be included as a covered dependent if enrolled full-time in an accredited school or college.

Purchasing an Additional Policy

HealtheMed is not renewable, but if your temporary insurance need continues beyond the coverage period purchased, you may apply for a new policy as long as you have not had more than two HealtheMed policies during the past 12 months. Additional purchase may not be available in some states.

Free Look Period

- Eligible charges made by a physician, surgeon, radiologist, anesthesiologist, and any other medical specialist to whom the physician has referred the case
- Charges made for dressings, sutures, casts or other supplies prescribed by the attending physician or specialist, but excluding nebulizers, oxygen tanks, diabetic supplies and all devices for repeat use at home

How HealtheMed Works

Most eligible expenses are subject to deductible and coinsurance. After your chosen deductible is satisfied, HealtheMed will begin paying according to the coinsurance you select and up to the coverage period maximum for all eligible medical expenses. Benefits are based on usual and customary charges of the geographical area in which charges are incurred.

Urgent Care Center

The deductible is waived for eligible medical expenses when you receive care at an urgent care center, and instead you pay a \$50 co-payment, after which coinsurance applies. An urgent care center means a facility separate from a hospital emergency department where patients can be immediately treated for injury or sickness on a walk-in basis without an appointment.

Hospitalization

If a covered illness or injury requires hospitalization, the plan provides coverage for eligible costs associated with hospitalization care, including intensive care, and outpatient treatment.

What Isn't Covered?

HealtheMed does not cover: pre-existing conditions* (including those not inquired about on the enrollment form); preventive or wellness doctor visits; dental or optical treatments; routine physical exams; normal pregnancy or childbirth; well child care; interscholastic and intercollegiate sports injuries; over-the-counter medications and outpatient prescription drugs; and expenses incurred outside the United States, its possessions or territories, or Canada.

The following conditions are also excluded: varicose veins, substance abuse and alcoholism, chronic fatigue or pain disorders, and allergies, except for emergency treatment of allergic reactions.

Expenses during the first 6 months after the effective date are excluded for (subject to all other coverage provisions, including the pre-existing condition limitation):

- Total or partial hysterectomy, unless it is medically necessary due to a diagnosis of carcinoma;
- Tonsillectomy;
- Adenoidectomy;
- Repair of deviated nasal septum or any type of surgery involving the sinus;
- Myringotomy;
- Tympanotomy;
- Herniorrhaphy; or
- Cholecystectomy

*Pre-existing conditions refers to conditions for which you received medical treatment, diagnosis, care, or advice within a specific number of months immediately preceding your effective date. The "pre-ex" period will vary depending on the state in which HealtheMed is purchased. This exclusion does not apply to a newborn or newly adopted child who is added to coverage.

Waiting Period

When coverage is purchased within 3 days of the effective date, you will only be entitled to receive benefits for sicknesses that begin, by occurrence of symptoms and/or receipt of treatment, at least 72 hours following the effective date. This waiting period does not affect benefits for injuries.

This is a partial list of exclusions and limitations. Please see the certificate for detailed information about these and other policy exclusions and limitations. Benefits, provisions, limitations and exclusions may vary by state.
